

# WDB-L bracket for light-duty cable trays

One product with countless mounting options.

## Mounting on the ceiling

- Simple installation
- Low installation height
- Free side access to the cable trays
- Mounting only with bracket and tie, no additional tools required

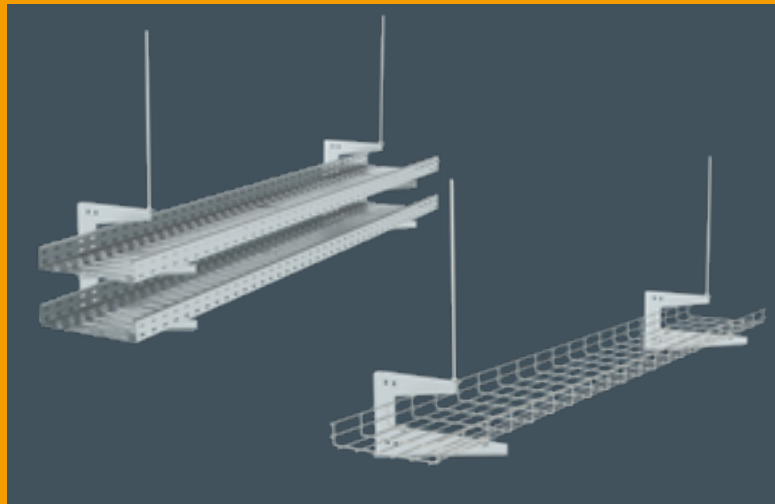

## Mounting on the wall

- Wall mounting also possible
- One bracket for both options: wall and ceiling mounting
- No duplicated material procurement
- Quick and easy mounting

## Mounting using threaded rod

- Simple suspension as required
- Permanent installation possible with centrally arranged threaded rod as suspension component
